

Confirmation

The Swiss climate protection organisation myclimate confirms that

Chocolat Bernrain AG
Buendtstrasse 12
8280 Kreuzlingen
Switzerland

has made a sustainable contribution to voluntary climate protection
Since 2010 Chocolat Bernrain AG assesses its greenhouse gas emissions in
collaboration with myclimate within the myclimate "chocolat programme for
carbon neutrality".

This enables Chocolat Bernrain AG to offer "carbon neutral chocolat". The
myclimate label "climate neutral product" guarantees this engagement for
climate protection.
